PROFESSIONAL EXPERIENCE

AMIRI 2023 – Present

Inventory Controller & Store Operations Associate

Key Achievement — New Store Opening

- Led and executed the opening of AMIRI's first-ever store in the GCC region, coordinating all pre-opening stock setup, stockroom configuration, inventory systems integration, and operational readiness from the ground up.

Stock & Inventory Management

- Maintain stock inventory in perfect condition with logical and efficient stockroom organization (products & packaging).
- Manage delivery operations, receive, prepare, replenish and organize stock accurately and quickly.
- Ensure right products are available on the sales floor to support store performance and client experience.
- Improve stock availability by liaising with Supply Chain teams and managing stock transfer requests and special product orders (My Product Request).
- Plan and execute inventory counts; manage all stock movements and related administration.
- Proactively identify opportunities to optimize stock processes and workflows.

Operational Leadership & Team Support

- Act as a role model and support the team manager in daily operational duties.
- Train new staff in stock procedures and lead stock-related workflow improvements.
- Coordinate planning of stock operations to ensure adequate support during peak periods.

Client & After-Sales Services

- Approach after-sales requests as opportunities to enhance client experience.
- Handle customer delivery, layaway orders, repair requests and follow-up tasks.
- Ensure quality issues are managed correctly and promptly.

Compliance & Administration

- Follow all AMIRI internal control policies, procedures and brand standards.
- Monitor store maintenance needs and coordinate with management for necessary actions.
- Manage vendor/supplier contracts and ensure requirements are correctly handled during shipments and receptions.
- Fully integrate with store team; participate in daily briefings and operational planning.

VALENTINO 2020 – 2022

Stock Controller

- Managed full stock cycle in a high-volume luxury fashion environment.
- Ensured accurate inventory records, timely replenishment and compliance with brand standards.
- Coordinated inbound/outbound stock movements and conducted regular inventory audits.

HARVEY NICHOLS 2018 – Feb 2020

Stock Controller & Sales Advisor

- Balanced dual responsibilities of stockroom management and luxury retail sales advisory.
- Maintained accurate stock records, conducted cycle counts and supported floor replenishment.
- Delivered exceptional client service aligned with Harvey Nichols brand standards.

OUNASS — E-Commerce 2015 – Jan 2018

Operations Executive — Last Mile & Fulfilment

- Managed last mile team operations for one of the region's leading luxury e-commerce platforms.
- Handled inbound and outbound logistics, problem resolution and customer returns.
- Served as a key problem-solver bridging warehouse operations and customer delivery experience.

AL TAYER GROUP 2013 – 2015

Logistics Coordinator

Key Achievement — New Store Opening

- Played a key role in the new multi stores opening at Sowwah Square
- , Abu Dhabi under Al Tayer Group — managing all logistics, stock coordination, inventory setup and operational launch activities to ensure a seamless store opening.
- Coordinated logistics operations across the Al Tayer retail network.
- Managed stock movements, documentation and third-party logistics provider relationships.

AGILITY LOGISTICS 2011 – Mar 2013

Logistics Coordinator

- Supported international freight and warehousing operations.
- Handled coordination of inbound/outbound cargo, documentation and client liaising.
- Gained foundational experience in supply chain management and logistics workflows.
